Your support helps keep this club going. If you are only able to financially support the club with a membership it helps. Displaying a DISContinuum Bag Tag on your bag helps too. We are always looking for volunteers to help run leagues, tournaments, & other things. Please help promote DISContinuum and disc golf.

Your support has helped with many projects. The club owns 6 portable baskets which are used at IOS events and demos. We also have portable tee pads that were loaned out to over 7 sanctioned PDGA events last year. This past year the club sponsored naming rights to a B Tier tournament in Sinnissippi and the club also donated \$900 to the Marengo Park District for the disc golf course in Marengo. We hope you consider joining in 2013.

Please think about spending \$15.00 to join DISContinuum, it will be your best \$15.00 value you spend on disc golf this year.
