Everyone Benefits From Sponsorship!

The DISContinuum Disc Golf Club is currently seeking sponsors for all events and leagues. In appreciation for a sponsor's assistance, DISContinuum will splatter that sponsor's logo all over - on our new website, our newsletters, tournament programs/flyers, tee-shirts, and large, vinyl banners at the sites of tournaments. We are even looking for special sponsors that can sell their goods at our competitions and tournaments.

Our club is dedicated to the positive promotion and play of disc golf, the fastest-growing sport in the country, surpassing even soccer. We will be a presence in the local AND national disc golf scene. Since some members do play at PDGA tournament events (which are now receiving mass media coverage), anyone who sponsors us will have the opportunity to have their logo seen by hundreds or thousands of people. When we host our own events locally, we hope to draw a good field of players and spectators through newspaper and radio advertisements, internet postings, public tournament listings, our E-Newsletter, and, of course, through www.discontinuum.org!

DISContinuum will happily encourage patronization of all sponsors and will publicly show our appreciation. You are helping to promote and develop a great sport!
Thank you!!!

Sponsorship Plans

DISContinuum has 4 different ways for you or your business to support the efforts of our club, as well as custom plans to suit your needs. We are sure your investment will pay off through increased publicity and patronization. **SPONSORSHIP PLANS**

To contact DISContinuum with questions, suggestions, or information about sponsorship, please email us at president@discontinuum.org!
