

## Fairfield Hole 1

Last Updated Monday, 19 March 2007

FAIRFIELD PARK HOLE #1(378 feet) ^

You step out of the car^ and you have to get that gun loose in a hurry. This is a totally wide open hole. There is rolling hill that goes down, up, then down again to^ the^ basket.

If you have the arm to get it to the pin, stay to the right or it will skip down the hill.

^ On to Hole 2^
