

## Fairfield Hole 1

Last Updated Monday, 19 March 2007

### FAIRFIELD PARK HOLE #1(378 feet)

You step out of the car and you have to get that gun loose in a hurry. This is a totally wide open hole. There is rolling hill that goes down, up, then down again to the basket.

If you have the arm to get it to the pin, stay to the right or it will skip down the hill.

On to Hole 2
